Subject: Patriot Bluff Development Submission

Hello Mark!

I hope all is well with you. I just wanted to confirm whether or not we should submit the DSEIS next Monday, August 25th, for Planning Board distribution 2 weeks before the next meeting, or we could simply hand deliver the documents to Board members on the night of September 10th, the next scheduled Planning Board meeting. Gregg Shaw's drawings will be ready for distribution on the 10th, but not before. As you know, we plan to present the project to the Board on the night of the 10th, and then come back on September 24th to hear what ever comments/concerns they may have, as well as hopefully hear whether or not the document could be deemed complete for public review.

I look forward to hearing from you, thanks!!
